Environmental Justice
- Dramatically reduce exposure in health-bearing pollutants in our most disadvantaged communities by 2020.
- Invest in housing, services, and infrastructure upgrades that will improve the quality of life for service provisions, including children, the homeless, and seniors by 2020.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Improve access to community programs in barrio areas by 2020.
- Display air quality testing in high traffic, California-based neighborhoods by 2020.
- Create an online tool for residents to conduct an inspection program, prioritizing communities in closest proximity to facilities by 2021.
- Reduce the number of zero-emission vehicles in the city to 25% by 2025; 50% by 2030; and 80% by 2050.

Renewable Energy
- Support grid-to-car (G2C) community solar, and increase cumulative MW of local solar to 500 MW by 2021.
- Increase cumulative MW of energy storage to 1,200-1,500 MW by 2021.
- Launch residential (community demand response) and commercial programs, and increase cumulative MW of energy storage to 50 MW by 2024.
- Invest $8 billion in/appropriated power system infrastructure and ensure power system reliability by 2025.

Local Water
- Release the 550 million annually from Measure W to support small-benefit projects that improve water quality by 2020.
- Increase stormwater capture to 57,000,000 galp by 2021.
- Complete programs EWR for sewers by 2023 and plan for 2025.
- Regulate 150 miles of water main by 2020.
- Produce 3.5 million gallons per day (MGD) of recycled water at Hyperion Water Reclamation Plant (WRP) for use at LAWA and other local facilities by 2021.
- Establish guidelines for incorporation of green infrastructure into the street and sidewalk repair projects by 2021.
- Establish reporting and progress tracking for targeted programs to increase awareness on L.A.'s water policy gains by 2021.
- Establish permanent drinking water access in Boyle Heights by 2021.

Clean & Healthy Buildings
- Use energy efficiency to deliver 30% of L.A.'s projected electricity needs by 2020.
- Design and implement policies to decrease new building costs by 2021.
- Design and implement policies to decarbonize existing buildings by 2021.
- Achieve 80% energy efficiency for existing buildings and affordable housing by 2021.
- Establish full compliance with Building Backyard Energy & Water Efficiency (BBEWE) program by 2022.

Housing & Development
- Implement the Mayor’s 8,000 Home Plan by building at least 1,500 homes across the city by 2021.
- Build 100,000 new housing units by 2027.
- Complete Downtown Community Plan by 2025.
- Reduce the first relocation (displacement and further eviction) tardy payments by 2020.
- Fund 70,000 units of affordable housing by 2021.

Food Systems
- Increase food recovery beyond pre-packaged food at 300% by 2020.
- Establish a healthy food city plan and support a variety of food entrepreneurs by 2021.
- Launch a public-private program to grow the number of edible gardens in City parks and public schools by 2025.
- Enable participation in the urban agriculture incentive Zone program by 2020.
- Engage a study to strengthen our infrastructure for a more resilient local food system by 2021.
- Pilot first health and wellness projects by 2021.

Urban Ecosystems & Resilience
- Announce new metrics for our core and support early stage green food entrepreneurship by 2021.
- Launch an educational awareness campaign on source reduction by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
- Increase construction and demolition (C&D) waste recycling requirements to at least 80% by 2021.
- Increase stormwater capture to 75,000 AFY by 2021.
- Electrify LA Metro's Orange and Silver Lines by 2021.
- Use transportation data to ensure that new transit, app-enabled, and for-hire mobility options are equitably available across the City by 2021.
- Create a partnership to develop an 100-acre L.A. River open space by 2021.
- Launch citywide residential food scraps collection by 2021.
- Plant and maintain at least 90,000 trees citywide by 2021.
- Implement cost-saving programs to alleviate financial burdens in our most vulnerable communities.
- Establish guidelines for incorporation of green infrastructure into street and sidewalk repair projects by 2021.
- Update a citywide Integrated Pest Management plan by 2021.
